

HHA FACEBOOK PAGE

Starting in 2012 the Herriott Heritage Association established a presence on Facebook for the exchange of information among the various individuals worldwide who are interested in the genealogy of this surname, regardless of the spelling.

It has proven very successful.

The image shows a screenshot of the Facebook mobile app interface. At the top, there is a dark blue header with the Facebook logo on the left. On the right side of the header, there are input fields for "Email or Phone" and "Password", a "Log In" button, and a checkbox for "Keep me logged in". Below the header, the main content area is light blue. On the left, there is a graphic of a smartphone with the Facebook logo on its screen, and a green dotted arrow pointing to a "Get Facebook Mobile" button. To the right of the smartphone, the text reads "Heading out? Stay connected" and "Visit facebook.com on your mobile phone." On the right side of the main content area, there is a "Sign Up" section. It starts with the text "Sign Up" and "It's free and always will be." Below this, there are several input fields: "First Name:", "Last Name:", "Your Email:", "Re-enter Email:", and "New Password:". Below these fields, there is a dropdown menu for "I am:" and "Select Sex:". Below that, there are three dropdown menus for "Birth day:", "Month:", "Day:", and "Year:". Below the birth date fields, there is a link that says "Why do I need to provide my birthday?". At the bottom of the sign up section, there is a green "Sign Up" button. Below the button, there is a link that says "Create a Page for a celebrity, band or business."
